

McNeill Farms East

Door Painting Instructions

- Buy quart of paint that matches your shutters at Sherwin-Williams E. Main Street

RED - Fine Wine SW6307

GREEN - Country Squire SW6475

- Buy a quart of metal primer for any bare metal (Ask Sherwin-Williams personnel for type)
- Sand off peeling or bubbling paint (Until smooth)
- Thoroughly clean entire door with mild soap/water – let dry completely
- Spot prime exposed metal that was sanded
- Let door dry
- Apply 2 coats paint – follow label instructions on can for second coat
- Keep door open until completely dry (approximately 4 hours)

Materials Needed:

- Quart of paint
- Quart of Primer
- 4" Roller Paint brush
- Sanding block (200 grit)

I have painted my own door:

Name _____

Address _____

Phone# _____

Turn this in to the property manager when you have completed your door. The work will be inspected prior to the \$40.00 credit towards your next month's condo fee.
